Average Price by Property Type

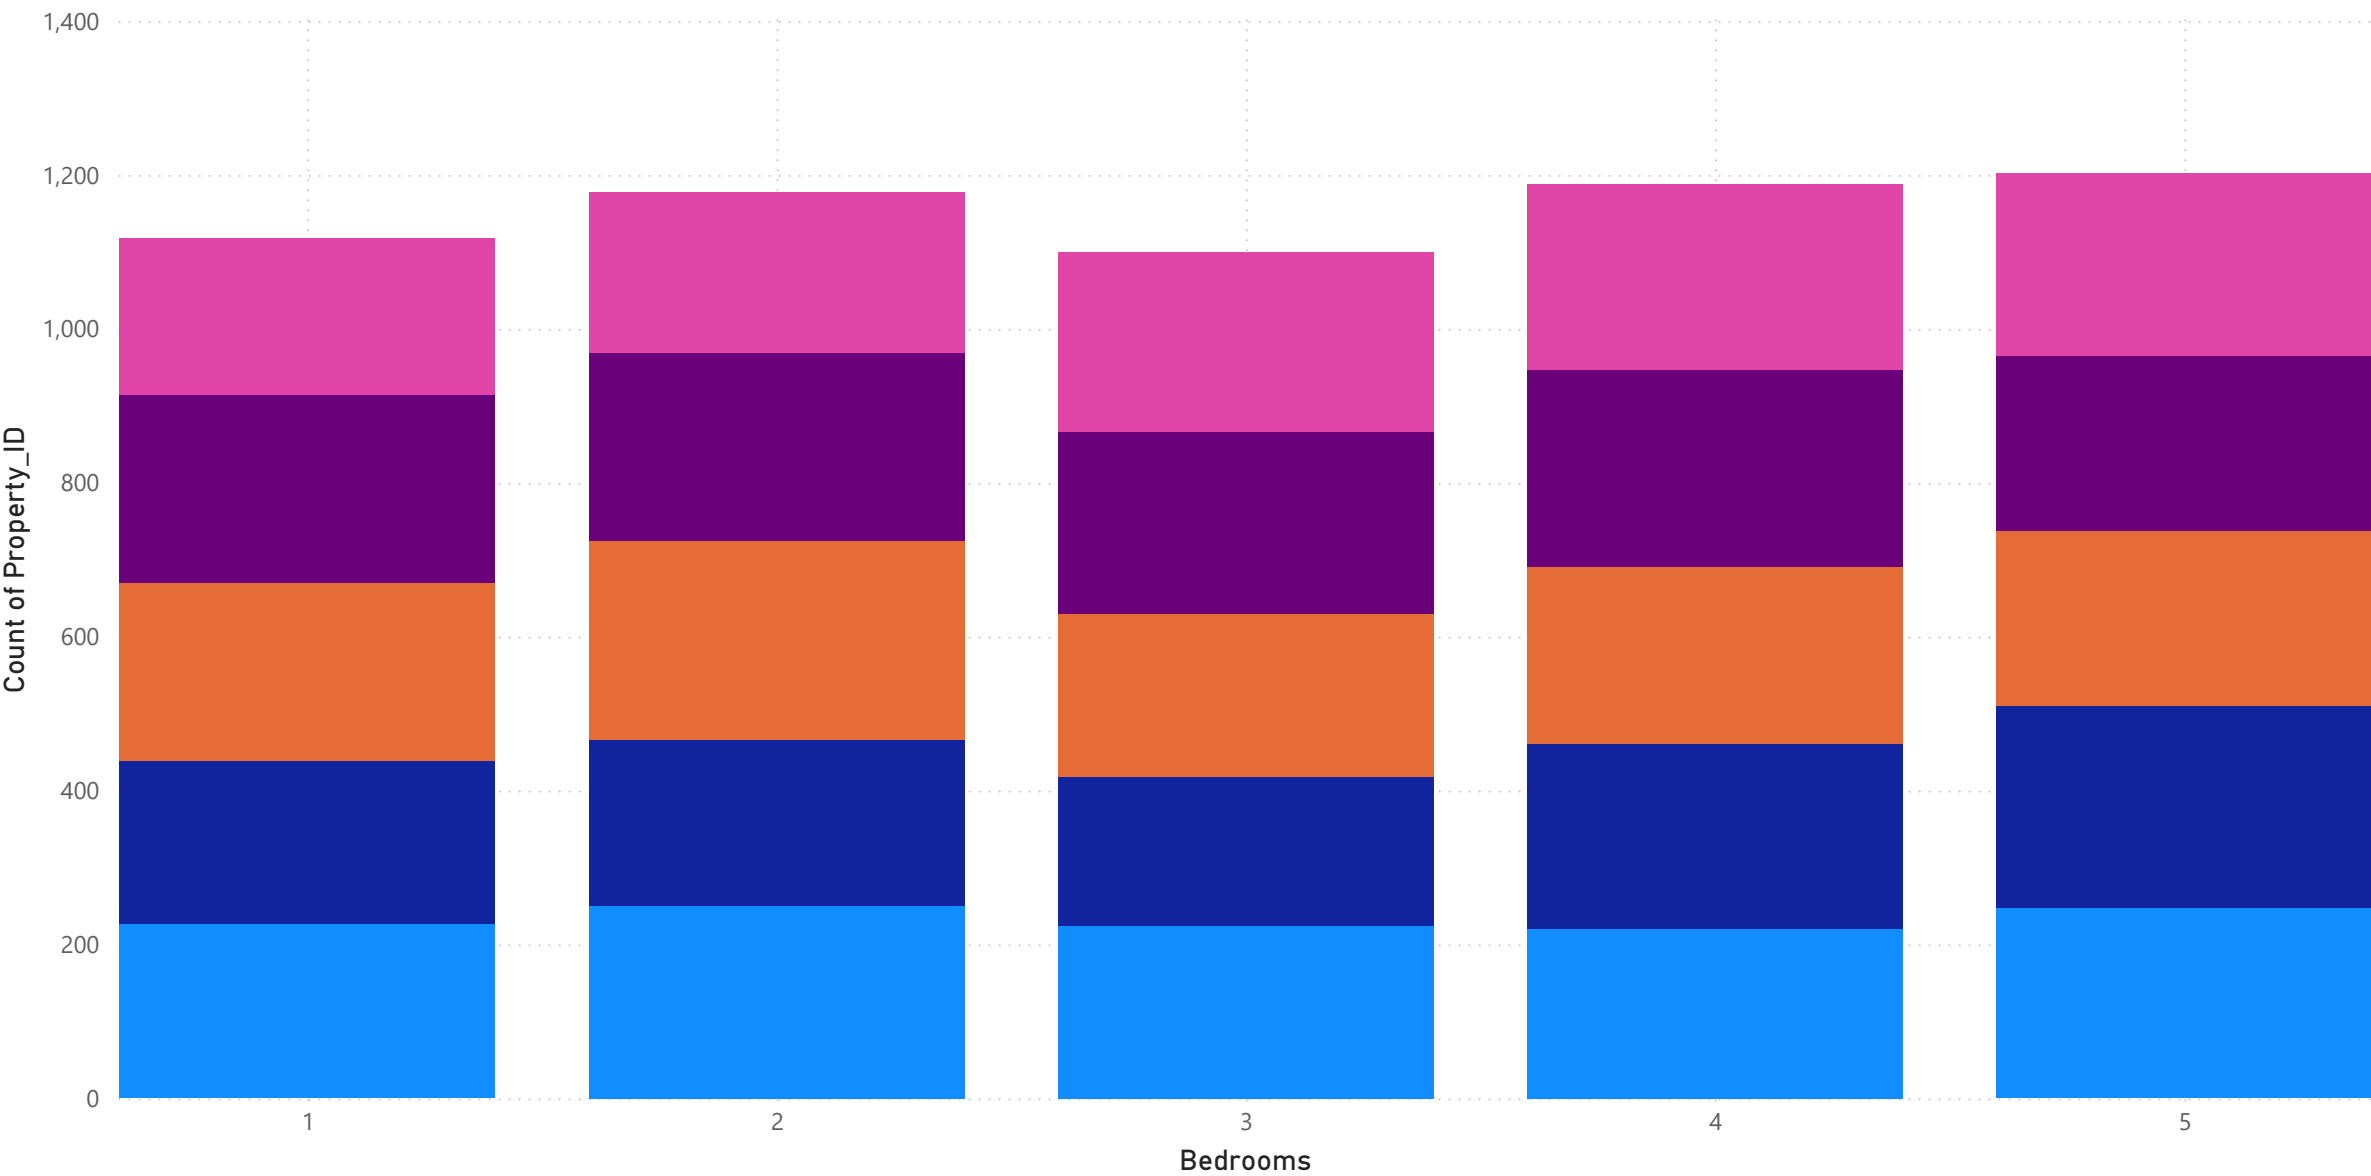

Scatter Plot: Price vs. Square Feet

Property Type ● Apartment ● Condo ● Duplex ● House ● Townhouse

Number of Properties by Bedrooms and Property Type

Property_Type ● Apartment ● Condo ● Duplex ● House ● Townhouse

This map displays the United States and northern Mexico. States are labeled with their names, and major cities are marked with dots. Seven cities are specifically highlighted with blue circles: Los Angeles, San Diego, Phoenix, Dallas, Houston, Chicago, and New York. The map also shows the Gulf of Mexico and the border with Mexico. The text 'UNITED STATES' is prominently displayed in the center of the map.
